

HEAVY TRAFFIC ANTICIPATED TUESDAY, MAY 10TH
Guests Should Plan Ahead and Arrive Early

Downtown Omaha lights up Tuesday evening with two great events – the second Creighton vs. Nebraska baseball game at TD Ameritrade Park Omaha and the Bob Seger concert at Qwest Center Omaha. The baseball game starts at 7 p.m., and the concert begins at 7:30. Large crowds are anticipated for both.

MECA is encouraging guests to make their parking plans ahead of time and to arrive early. Parking information is available on both Qwest Center Omaha's and TD Ameritrade Park Omaha's websites. Additionally, guests will notice the 'Event Parking' directional signs for MECA's new way-finding system, which directs drivers to parking lots with spaces still available.

We do anticipate that our parking lots will fill to capacity for these events, so it will be important for our guests to be aware that there are 9,000 parking spaces within a 12 minute walk of the MECA campus. A good resource for parking information is Central Parking's website, parking.com. Visitors can search under 'Location' by both 'Qwest Center Omaha' and 'TD Ameritrade Park Omaha' to see detailed maps and information of multiple parking lots within walking distance of the facilities.

Additionally, guests may want to consider creative options such as car pooling or parking at Midtown Crossing and taking one of the complimentary Midtown Crossing Special Event Shuttles. The free shuttles will begin at 5 p.m. and run continuously throughout the evening until 90 minutes after the events are over. To see the shuttle route and for more information, visit midtowncrossing.com.
