Available Parking Options During the 2015 NCAA[®] Men's College World Series[®]

(OMAHA, Neb.) – The Metropolitan Entertainment & Convention Authority (MECA) reminded fans today about the parking options available for the 2015 NCAA[®] Men's College World Series[®] (CWS[®]).

Construction on a new hotel development at the corner of 10th and Capitol Streets has begun. The site of the construction is the former parking Lot G which will no longer be available for public parking.

Throughout the series, MECA will offer special pricing at the CenturyLink Center Omaha parking garage to encourage the public to use 500 available parking spaces. Garage parking will be \$15 per vehicle during the CWS. MECA parking Lot A is often underutilized for the series and fans are encouraged to park there. Parking will be \$10. Cash payment and the following credit cards are now accepted: Visa, MasterCard, Discover, and American Express.

Several other parking alternatives are also available. Metro will again operate the Stadium Circulator and the Stadium Express. Updated information on routes and times are posted on www.ometro.com.

Creighton University offers about 1,000 parking spaces along Cuming Street between 19th and 25th Streets within walking distance of TD Ameritrade Park Omaha. These lots are monitored and a fee is charged.

Event parking – operated by City of Omaha Parking Division – is available in centrally located garages and lots in and around downtown Omaha. Rates (per car) are \$5 and \$10 per day, as posted. Parking is a pre-pay option via cash or credit card (Visa, Discover, MasterCard). For more information or to find garages and lot options, go to www.ParkOmaha.com. Visitors can download the FREE ParkOmaha app (via Apple or Android phones) to pay for all metered parking. Get the app or learn more details at www.ParkOmaha.com.
